NEW YEAR'S GREETINGS

To a follower of Christ the NEW YEAR comes with a sacredness that quite awes him. It moves him to take thought within himself about the journey he has been making; how much of it has been walked with Christ on the plain, straight way and how much in the devious paths where he did not serve God and where the Grace of God did not accompany him. It is a reproachful thought, but a salutary one. And if a man is in earnest in regard to the welfare of his soul, such a meditation, momentary as it may be, is sure to start him off on a fresh journey and with a determination to seek first the kingdom of God.

The New Year brings with it a certain grace. It dins into a man's ears the warning that with him this year may be his last, that already he has turned the corner of the street that leads to eternity and to judgment. A solemn thought is this, perhaps gloomy; but after all, the truth of life, the truths of the soul are more solemn than the most serious-minded of us can imagine.

That our parishioners and friends may bring some of this solemnity into their consideration of the New Year and thus make the day happy even though the world seems to frown upon them; that the year, just beginning, may be the happiest and most profitable of their lives from both a temporal and eternal viewpoint; that the happiest day of their past may be but the saddest of their future, is the sincere wish of the members of the Society of Jesus attached to Gesu Church.

A Happy New Year to ALL.

Forty Hours' Devotions

The Forty Hours' Devotions consists of the solemn exposition of the Blessed Sacrament for the space of forty hours, more or less,—being the time Our Lord lay in the tomb—continuous adoration being maintained by relays of watchers. The usual practice is to arrange that the exercise is taken up from church to church so that the exposition is so far as possible continuous in the diocese. Church Law orders that this devotion shall be held once every year in all churches where the Blessed Sacrament is habitually reserved. A High Mass of the Blessed Sacrament is sung at the initial exposition. exposition, a Mass for peace on the second day and a Mass of the Blessed Sacrament on the closing day. Processions are prescribed for the beginning

and the end of the devotions. According to Diocesan arrangements, the Forty Hours' Devotions take place in our church beginning on the Sunday immediately following the Feast of the Epiphany. Hence the Forty Hours' Devotions will begin on Sunday, January 10th and will close on Tuesday evening, January 12th. The devotions begin at the 10.45 o'clock Mass, which is followed immediately by a procession and exposition of the Blessed Sacrament. On Monday and Tuesday mornings the 8.30 o'clock Mass will be a High Solemn Mass. Each evening there will be special devotions, peculiar to "Forty Hours," sermon and Benediction. During the night, in accordance with the custom in the United States, the exposition will be discontinued. The devotions will close Tuesday evening with solemn procession and Benediction. The Parochial School children will take part in the processions on Sunday and Tuesday.

Our parishioners scarcely need be reminded not to disappoint the earnest desire of the Sacred Heart to draw them to Him. As a result of these devotions there should be an abundant harvest of souls reclaimed from the habit of sin as well as an increase in fervor visible in every family. According to Diocesan arrangements, the Forty Hours' Devotions take

the habit of sin as well as an increase in fervor visible in every family. During the three days there should be a constant stream of visitors to the Church coming to spend before the Blessed Sacrament as much time as can be taken from their daily occupations. Those who cannot visit the Church during the day, should make attendance at Mass and the evening devotions a "MUST."

The Gesu Liturgical Choir

In referring to the new Gesu choir, we have included the adjective "liturgical" in its name as there is a difference between a choir which is liturgical and one which is not.

However, in using the word Liturgical it is not with the intention of veiling the organization with mystery and if this impression is existing,

then we wish to clear it up.

In using the word liturgy we refer to the "public" and "official" worship which the Christian church renders to God.

The emphasis is, of course, on the words "public" and "official." Private prayers, however meritorious, are not liturgical acts, nor are unofficial devotions liturgical. Liturgical music may therefore be defined as music which in its spirit and style is worthy of being an integral part of public and official worship which the Christian Church renders to God.

So far as music is concerned, the two most important liturgical functions are the Holy Sacrifice of the Mass and Divine Office, that is, the Canonical Hours of Matins, Lauds, Prime, Terce, Sext, None, Vespers and Compline.

The official music of the Catholic Church is Gregorian Chant, however, this does not close the door entirely on other forms of musical composition. Pius X by Motu Proprio also officially sanctioned polyphony and modern music if the qualifications measured up to certain requirements, such as, intention, adaptability and restricted harmonic privileges. intention, adaptability and restricted harmonic privileges.

There are other physical restrictions which make a Liturgical Choir. The members must be men and boys, who are of good standing in the Church, and of "known piety and integrity." They should wear cassocks

and surplices and remain as inconspicuous as possible.

Mention has been made before, of the importance of the choir in the functions of the parish. This cannot be over emphasized for it not only must actively participate in the "key" acts of worship but members, being constantly in close touch with the clergy and the active participation of the Holy Sacrifice, must become recipients of inspired devotions through this close association.

The Gesu Parish and Neighborhood Improvement Association

Once again it is our privilege to wish to our members a Happy New Year and it is our hope that 1943 will be replete with many blessings. New Year Resolutions will be made, so do not fail to include the Gesu Parish and Neighborhood Improvement Association in your Resolutions. Resolve to do everything you can to further the aims of your Association. Resolve, too, to aid in every possible way those who are still loyal to this Association and those who have worked hard to accomplish good results for our members. Mark your 1943 calendar with the dates of our meetings and come to the meetings as often as you can.

January may bring some very inclement weather and plenty of snow and ice. Keep the pavements clean and safe for pedestrians. We call this matter especially to the attention of housekeepers, who can help a lot in this good work. Consideration for others will save a great deal of annoyance and suffering to others and will avert many accidents.

PAROCHIAL SCHOOL NEWS

We hope that you enjoyed the Christmas Play—it was great fun for us the practice and the performance. Perhaps you did not know, we also had a contest for selling the tickets. Joseph McNally sold the largest number of tickets with Samuel Dickson in second place. Among the girls Bernadine Murphy was winner with Frances Karkowski a close second. Each of these received a prize. A much coveted prize was won by the Eighth Grade in both boys' and girls' school.

Final Vows

On the Feast of the Purification, February 2nd, Father John Brown, S.J., and Father Francis Wagner, S.J., will pronounce their Final Vows in the Society of Jesus. The Mass of the Vows will be at 9.15 which will be celebrated by Rev. Father Rector, followed by Solemn Benediction.

Both Father Brown and Father Wagner are native Philadelphians; Father Brown is also a former parishioner of the Gesu. Although both Fathers are attached to St. Joseph's High School, they frequently help out in the Church. So we cordially invite our parishioners to attend this solemn dedication of their lives to Christ.

We congratulate you, Father Brown and Father Wagner, and beg God to grant you many happy years in His vineyard.

Adoro Te Devote

One result of the Forty Hours' Devotion should be a renewal of devotion to Christ in the Blessed Sacrament. Since our services were so well attended we have hopes that during the ensuing months the ardor of our devotion will not diminish. We can keep it alive by the frequent reception of Holy Communion and by occasional visits to Christ waiting for us in the Tabernacle. He is always ready to listen to our troubles, to console us and to

Attendance at the Forty Hours' Devotion was very good this year, in fact it was an inspiration to see a full church at the opening and closing service. The only consideration that makes us pause, makes us even fear was the absence of our young people. Could they not spare a few minutes to honor Christ? Even our boys and girls attending the Catholic High Schools did not attend. We take this occasion to urge the young people to take an active part in our services.

Candlemas Day

The Feast of the Purification, February 2nd, is also known as Candlemas Day. On this day the candles used in the divine service are blessed. This will take place before the 5.30 Mass.

We are also reminded to make sure that there is a blessed candle in the house. The time of stress and strain is too late—make sure today that you have a blessed candle.

Blessing of Throats

On Wednesday, February 3rd, we celebrate the feast of St. Blase. On that day we have the beautiful devotion of invoking God's blessing through the intercession of St. Blase, to protect us from all diseases of the throat and from all other evils. Since throat trouble seems to be so prevalent this year all should seek God's protection in this way.

Throats will be blessed after every Mass on Wednesday, again in the evening from 7.30 to 8.30. Blessing of throats for children will be at 3.30.

Catholic Press Month

February is the month of the Catholic Press. During this month we should make a special effort to further in every possible way the good accomplished by the Catholic Press. The simple and easy means within the reach of all is the reading of Catholic Literature. In the rear of our Church there are two pamphlet racks which afford us a great variety of reading matter. To offset the paganism of our modern tabloids let us refresh our minds and our spirits with the healthy atmosphere of Catholic

An Obligation

We wish to remind parents of children attending non-Catholic schools that they have an obligation to see that these children attend the school of Christian Doctrine. Every Tuesday and Thursday at the Gesu Convent there is a class at 4.00 o'clock for children of the Public Elementary Schools. is a class at 4.00 o'clock for children of the Fublic Enementary Schools. Every Thursday evening at 7.00 o'clock Father James Conroy conducts a class for boys and girls of the Public High Schools.

Tekakwitha Club

If you are one of those who think that you can't have grand fun without rough-house come down to the Takakwitha Club and be convinced. We are rattling along gorgeously now and just beginning to get chummy; and, believe us, we have found out that we are a dandy crowd and have gotten to like each other horribly lots.

What do you think? Right out of our own group we have discovered someone for the difficult job of accompanist for the singers in the minstrel show, Gloria Ramp. Talent is rounding out rapidly. We are going to give you a clever entertainment soon.

Gesu Church Debt Association

Don't forget. Not only every family, but every wage-earner in the family separately, five cents a week. Be gracious to the collectors when they call; and be faithful about your contribution. Help us to get the Church Debt Association functioning one hundred per cent so that we can start again to reduce the principal. Thank you for your cooperation.

Block Collection

In the next issue of the Church Bulletin we will publish the amounts of the Block Collection. We ask all who have promised to send in their contribution, to do so as soon as possible. Also those who may not have been at home when the priest called as well as those who may have missed should hand in their envelopes at the Rectory.

Your Parish Choir

In previous discussion, the position of the choir and its relation to the Church was the subject under consideration. Now we would like to note the benefits in participation. The effort of a choir singer is not all give, this is

On Wednesday, February 3rd, we celebrate the feast of St. Blase. On that day we have the beautiful devotion of invoking God's blessing through the intercession of St. Blase, to protect us from all diseases of the throat and from all other evils. Since throat trouble seems to be so prevalent this year all should seek God's protection in this way.

Throats will be blessed after every Mass on Wednesday, again in the evening from 7.30 to 8.30. Blessing of throats for children will be at 3.30.

Catholic Press Month

February is the month of the Catholic Press. During this month we should make a special effort to further in every possible way the good accomplished by the Catholic Press. The simple and easy means within the reach of all is the reading of Catholic Literature. In the rear of our Church there are two pamphlet racks which afford us a great variety of reading matter. To offset the paganism of our modern tabloids let us refresh our minds and our spirits with the healthy atmosphere of Catholic

An Obligation

We wish to remind parents of children attending non-Catholic schools that they have an obligation to see that these children attend the school of Christian Doctrine. Every Tuesday and Thursday at the Gesu Convent there is a class at 4.00 o'clock for children of the Public Elementary Schools. Every Thursday evening at 7.00 o'clock Father James Conroy conducts a class for boys and girls of the Public High Schools.

Sodality Party

On Tuesday, December 29th, the United Sodalities held their Christmas Party. The simple family spirit that prevailed was enjoyable. Much credit is due Mrs. Kraft and her co-workers. Despite the bad weather a good crowd was present.

Tekakwitha Club

If you are one of those who think that you can't have grand fun without rough-house come down to the Takakwitha Club and be convinced. We are rattling along gorgeously now and just beginning to get chummy; and, believe us, we have found out that we are a dandy crowd and have gotten to like each other horribly lots.

What do you think? Right out of our own group we have discovered someone for the difficult job of accompanist for the singers in the minstrel show, Gloria Ramp. Talent is rounding out rapidly. We are going to give you a clever entertainment soon.

Gesu Church Debt Association

Don't forget. Not only every family, but every wage-earner in the family separately, five cents a week. Be gracious to the collectors when they call; and be faithful about your contribution. Help us to get the Church Debt Association functioning one hundred per cent so that we can start again to reduce the principal. Thank you for your cooperation.

Block Collection

In the next issue of the Church Bulletin we will publish the amounts of the Block Collection. We ask all who have promised to send in their contribution, to do so as soon as possible. Also those who may not have been at home when the priest called as well as those who may have missed should hand in their envelopes at the Rectory.

Your Parish Choir

In previous discussion, the position of the choir and its relation to the Church was the subject under consideration. Now we would like to note the benefits in participation. The effort of a choir singer is not all give, this is

not a one way proposition. There are many benefits derived, spiritual, which is most important, but also practical benefits, the more tangible.

From a practical approach the choir singer derives the benefit of prime importance in his education in music. All his life, the time spent at choir practice will be remembered, but best of all, the pleasure in later life of being able to appreciate the great joy of hearing music understandingly will be the reward. Many members of choirs would receive no musical education, were it not for their participation in this work.

MEN IN THE SERVICE

Have you sent in the names of those in the Service. We want to bring our Honor Roll up-to-date. Be sure to have the correct address. Many of the certificates of enrollment, we have sent to Service men, have been returned because of incorrect addresses.

All those enrolled will have a remembrance in a daily Mass said at St. Ignatius' Altar. Be sure to give the Philadelphia address, also send the names immediately.

GREETINGS

Father Dominic Cirigliano, S.J., better known among us as Father Ciri, has been changed to an important work at Woodstock College. There he is in charge of the Theologians. We were sorry to lose Father Ciri and his absence during the past month has been keenly felt. We wish him success in his new work and promise him our prayers—our small return for his good

Father Philip V. Sullivan, S.J., comes from Georgetown University where he was Professor of English to take over the work of Father Ciri. Father Sullivan has been appointed Prefect of the Church of the Gesu and also Minister of the Jesuit Community. We greet you, Father Sullivan, and wish you many happy years in our midst.

NOVENA OF GRACE

With the coming of March our minds naturally turn to the great Novena of Grace in honor of St. Francis Xavier. Each year through the intercession of the Apostle of the Indies, many souls that have strayed through the years, are brought back to the feet of the loving Christ. His power over the hearts of men is no less potent today than it was centuries ago as he travelled the mission fields of the East.

Countless favors both spiritual and temporal have been obtained through this Novena. Let us join in making it well. Surely at the present time all of us have special favors to ask of St. Francis Xavier. With confidence we shall place our requests in his hands, knowing that if what we ask is for the glory of God and the good of our souls it will be granted.

HIGH MASS

Every Sunday at 10.45 there is a High Mass. This Mass lasts an hour. We would like to see more of our parishioners participate in this more complete expression of the Mass.

Holy Communion will be distributed at the High Mass that those who work may be able to receive.

Beginning with the first Sunday of Lent there will be a special course of Sermons at the High Mass. The general title of the course is: "The Vicar of Christ Looks at the Modern World." Each sermon will be based on an Encyclical or Allocution of recent Popes.

Father Philip V. Sullivan, S.J., newly appointed minister of the community and prefect of the church, will conduct the novena services on Sunday nights at 7.30, replacing Father O'Hare, S.J. who has done so since Father Ciri's departure. All are urged to begin this devotion to Our Blessed Mother which has been such a rich source of spiritual and temporal help to the countless thousands who have invoked her aid and intercession with

Every Wednesday during Lent at 8.00 P. M. we will have the Stations of the Cross, followed by the Lenten Course of Sermons by Father Sullivan. Every Friday at 3.30 P. M. LENTEN DISCOURSES

The Christian who either does not know Christ, or whose knowledge of the Son of God is vague and shadowy, will hardly be able to stand against the onslaughts of those forces in the modern world bent on burying Himin a tomb from which He cannot rise. We must choose between Christ and chaos. We know only too well what chaos is. Sad to say, although we call ourselves Christians, few have that intimate knowledge of Him which leads to ardent love, faithful service and constant imitation. To choose Him we must know Him.

In his Wednesday evening discourses, Rev. Philip V. Sullivan, S.J., Minister of the Jesuit Community, Prefect of the Church and, before his recent arrival here, Professor of English at Georgetown University, will show you the meaning of Christ: Christ in the world, Christ in the Church and Christ in your own soul.

TEKAKWITHA CLUB

"There was a sound of revelry by night" on the feast of the Holy Bishop, St. Valentine; and doubt not that there was much beauty and chivalry assembled, all in formal; or almost.

Father Rector graced the occasion on which he had allowed us the honor of formally opening the splendid new hall which he had provided for the use of the parish; and he agreed we are pretty nice.

We have a confession to make. We tried this same thing at New Year's and failed. Don't you agree that this sparkling success in so short a time after, shows streamlined progress?

THE GESU CHOIR

It is a joy to report the wholehearted co-operation the boys of the choir are giving their choir director and look forward to accomplishing some fine things for the Easter Season.

The club teams have been reorganized and a new Council Leader has been elected from among the team captains.

Our new Council Leader is James Koff of 1820 W. Thompson Street, and a fine choice was made by the boys in their selection of a leader.

The following have been elected team captains:

James Koff Francis Convery Joseph Balonis George Gallagher

Robert Dee

The outstanding attendance record has been achieved by the Driscoll twins, Joseph and Paul.

The membership at this time is up to twenty-eight singers. For the next two weeks new applicants will be considered. The musical training has been provided by the Rector and all members benefit by obtaining in this training a better understanding of the church's liturgy and a finer ap-

A drive for new adult members is under way. Fathers of the parochial school children are asked to co-operate if it is possible. Many spiritual benefits are earned by men who devote some of their spare time to this work, and those who are already members of the choir can assure you, it is

GIRL SCOUTS OF THE GESU

We are now planning to give the operetta "Student Prince" under the direction of Miss Edna Green, a Girl Scout Leader in our Troop. It will be presented sometime early in June.

THE GESU PARISH AND NEIGHBORHOOD IMPROVEMENT ASSOCIATION

Now that the severe Winter weather is over, we look for an increased attendance at our semi-monthly meetings. Our officers are at the meetings, ready and willing to help our members with their home problems, but it is very discouraging when only a few interested members come to the meetings. The co-operation of all our tenants and owners is earnestly solicited. The officers cannot work alone in this Association, they must have the assistance of all our members to accomplish the results.

Again we call on our householders to help keep the streets clean. Each individual must share the responsibility of the neighborhood in which she lives, if the neighborhood is to be kept up to a standard. Your particular lives, if the neighborhood is to be kept up to a standard. Your particular area affects your neighbor's, and the care you give to your particular encourages your neighbor. So don't assume an "I don't care" attitude, part, do your part. See that waste of all kinds is put out in the proper containance. Don't he careless and allow the streets to be littered with all binds of ers. Don't be careless and allow the streets to be littered with all kinds of ers. Don't be careless and anow the streets to be littered with all kinds of unsightly waste. It is such a little thing to be careful and such a big thing to be helpful. Your thoughtfulness will add much to your home and to the

THE NOVENA OF GRACE

We wish to congratulate our parishioners for their co-operation during the Novena of Grace. The attendance at the services, the number of petitions and favors acknowledged, the generous donations received for the Missions, and especially the great number of Communicants during the Novena are signs that our Novena in honor of St. Francis Xavier was truly a Novena of Grace.

THE VICAR OF CHRIST

The Holy Father is Christ's Representative on earth and as such his Words are full of significance to all Catholics. During Lent at the High Mass on Sunday we are having a special course of sermons under the general title, "The Vicar of Christ Looks at the Modern World." Each sermon is based on an Encyclical or Message of recent Popes.

A WARNING TO PARENTS

With the coming of warm weather, children will want to play in the streets in the evening. We take this occasion to warn parents of this dangerous practice. The proper place for children after the evening meal is the baselyes for the coming day in is the home where they should prepare themselves for the coming day in school. To anyone who thinks, it is evident that only too often nothing but evil comes to children on the streets in the evening.

LEST YOU FORGET

Your Mite Box should be in a convenient place. If you find it covered with dust, use the dust cloth and make sure by your daily mite that it is kept shiny and bright. The Mite Boxes should be brought to the Rectory after I and after Lent.

HOLY WEEK

Holy Week is the most solemn week of the year. In memory is reenacted the greatest tragedy of all times when man by sin caused the death of the Son of God. As we participate in the solemn ceremonies of Holy Week let our hearts also join in spirit with the suffering Christ.

PALM

On Palm Sunday, the palm will be blessed before the 5.30 Mass and again before the Solemn Mass. It will be distributed after the 5.30 Mass and during the Solemn Mass. Every family should make sure to have a piece of blessed Palm for the home. The old Palm should be burned.

Holy Thursday Night we have the beautiful custom of watching at the Repository throughout the night. We urge the men of the Parish to come and watch an hour. "Could you not watch one hour with me? Watch and

RESURREXIT

EASTER WATER

Easter water is blessed on Holy Saturday. As this water receives a special blessing all are urged to take some home. Long ago it was customary for the Pastor to bless the home of his parishioners with Easter water. Due to the size of our parish today this is impossible, but at least all our parishioners can have Easter water in the home.

EASTER DUTY

We are all reminded of our obligation of receiving Holy Communion during the Easter time, from the first Sunday of Lent to Trinity Sunday. This Communion is sometimes called the Paschal Communion. Among many it is customary to fulfill this obligation on Holy Thursday, the day we commemorate the Institution of the Blessed Eucharist.

THE GESU CHOIR

While we are all conscious of the restrictions and hardships of rationing, how many of you who could help in singing the Sunday Mass realize that you are short rationing our Lord by not participating in this most glorifying form of worship in the closest intimacy permitted the layman.

Close to four hundred invitations to parents of our parochial school children were mailed by the rector, Father Smith, but all too many chose to ignore this appeal, and most all found excuses to not comply with the request. This is short rationing God, He cannot be too pleased with the results.

A few did offer their services. Those that did, seem to be among a group who might have an excuse because of the nature of their work...

Dr. Francis Stokes, Lt. Commander, U. S. N., attached to the Coast Guards, finds he can devote some of his spare time and has joined the choir. His duties are many and demands upon his time numerous.

Mr. Thomas Gore has been able to lend us his help even though he is employed at the Navy Yard and his hours are not as convenient as he would be at the Navy Yard and his hours are not as convenient as he would like them to be, but his loyalty is one hundred percent.

Others are also giving up things to make this, your parish choir, a success.

"Could you not watch one hour with Me?" said our Lord.

THE GESU PARISH AND NEIGHBORHOOD IMPROVEMENT ASSOCIATION

On Thursday evening, February 11th, the semi-monthly meeting of the Gesu Parish and Neighborhood Improvement Association was held in the High School building on Stiles Street, at 8.30 P. M. Despite the cold and stormy weather prevailing at that time, the meeting was well attended and a lot of interest was shown by our members. The improved attendance was very gratifying and reports of various activities were read and goings-on discussed.

Important at this time of the year is the checking of repairs that must be made after the wear and tear of winter. Spring is about due, so get ready for it. Look to THIS and THAT repair that must be made in order to save your home from deterioration. Neglected and shabby houses do not add anything to your neighborhood, so you can readily understand how important it is to have attractive homes in your vicinity. Our Officers will be glad to discuss your home problems with you, and if possible to do so, thelp. Let each one of our members strive to have the best looking home in her neighborhood. Let us all get to work and see how much can be done to serve the interests of all who are concerned about their homes and their problems.

MEETINGS—Second and Fourth Thursdays of each month, at 8.30 P. M., in the High School Building on Stiles Street. Come to the meetings and help us to carry on our work.

MARY'S MONTH

Every evening during the beautiful month of May there will be devotions in honor of the Blessed Mother. All our parishioners are urged to join in this expression of love of Our Heavenly Queen—twenty minutes free from worldly cares spent in the sweet company of Our Dearest Mother. Devotions begin at 8.00 P. M.

THE MISSION

From May 9th to May 23rd, the Parish of Gesu will undergo a spiritual renovation. The Mission will afford all the opportunity of reconsidering the great truths of our religion. We ask all to co-operate to make the Mission the great spiritual success it should be.

Father Peter Torpy, S.J., and Father Joseph T. Murphy, S.J., of the Jesuit Mission Band will give the Mission. The first week will be for the women and the following week for the men. The Mission for the children will be on Monday, Tuesday and Wednesday of the first week.

To make the Mission one should assist at one of the Mission Masses if possible, and attend the evening service. We feel sure that all will make sacrifices to gain the special graces of the Mission.

DOMINE NON SUM DIGNUS

First Holy Communion—yes, most of us remember the day we made our First Holy Communion. How innocent we were then and how happy! And now with the passing of years the memory of that day makes us happy again.

On Sunday, May 16th, at the 8.30 Mass many little ones of the Parish will receive Our Lord for the first time. How innocent and how happy they are. Christ comes to them to keep them ever thus, to be the food of their

THE QUEEN'S DAY

Queen of Heaven and Queen of Earth—the two-fold title of Our Blessed Lady. On Sunday, May 23rd, at 3 o'clock we will have our Annual May Procession. Procession. On this day the little ones of the Parish will dedicate them selves for the Parish will dedicate them selves to the Immaculate Queen of Heaven. Father Philip Sullivan will

MOTHER'S DAY

There are many ways of remembering Mother on Mother's Day but one that will appeal to every Catholic Mother is the reception of Holy Communion. Long after a flower has faded, the grace gained through Holy Communion will be a solace and comfort to her heart. Wouldn't it be a consoling sight to be a solace and comfort to her heart. ing sight to see every one of our Parishioners approach the Holy Table on Mother's Mother's Day—each one offering his Communion for his Mother?

FIRST SOLEMN MASS

On Sunday, May 30th, Father Joseph A. Flaherty, O.S.A., will sing his First Solemn High Mass at 10.45. Father is a former parishioner of the

GESU CHURCH DEBT

In this issue of the Calendar is printed the Annual Report of the Gesu Church Debt Association. We are pleased with the renewed interest in this Association. We also take this occasion to thank the faithful workers, the collectors, who make this Association possible.

Toward the end of the month the United Sodalities will hold their Annual Reunion. A social evening is also being planned. The date will

SANCTUARY SOCIETY THE ART OF ALTAR-LACE MAKING

We have borrowed the little passage below from a book on Altar-Lace Making for the interest of those who are interested in helping us to supply laces for our Albs, for use at the Holy Sacrifice of the Mass, for which purpose many have already offered their skillful service.

"The creation of fine laces for the Church usage is an art which has come down to us from the Middle Ages. For centuries devout women have considered it a great privilege to contribute their fine handwork to the adornment of the Church. The same custom and the same desire to do this handicraft, for the same sublime purpose, exists today."

Anyone interested in this work may offer their time and talents at any time, at the Rectory.

MORE TEKAKWITHA

We thought you might like to hear a little more about us. The old-time square dances have caught our fancy. An instructor is showing us the grace of the quadrille, the Virginia Reel and the rest. The boys have also taken up basketball with real zest. We know it's rather late, but better late than

PAROCHIAL SCHOOL NEWS

Perhaps you have noticed the pile of scrap in the yard of the Girls' School—the result of our scrap drive. We are having a contest in collect-

On April 5th the Eighth Grade Boys had a day of recollection. Rev. Father Rector gave the talks. The following Monday Father Lenny gave the talks for the Eighth Grade Girls' day of recollection. Father Lenny gave had the opportunity of talking with a priest. These days were very pleasant

Basketball is over and although we did not have a successful season we enjoyed the sport. We have resumed skating in the yard. The Eighth Grade Girls are presenting a large and very beautiful pic-

ture of the Sacred Heart to the School. We plan to have a formal blessing of the picture. Many thanks to the girls.

The mission for the children will be held on Monday, Tuesday and Wednesday, May 10th, 11th and 12th. On these days Mass will be at 7.30. There will be an instruction at 3.10 P. M.

THE GESU PARISH AND NEIGHBORHOOD IMPROVEMENT ASSOCIATION

The regular semi-monthly meeting of the Gesu Parish and Neighborhood Improvement Association was held on Thursday evening, April 18th, in the High School building on Stiles Street. The minutes of the previous meeting were read and approved. The president then read his report, which informed the members of his interest in this Association and the efforts he and his assistants are exerting in behalf of our tenants and owners.

Looking at the homes as we pass along the streets, we notice that the children are at their pranks again. Chalking the bricks, carving initials in the woodwork, throwing papers around the steps and pavement are some of the ways in which the property of others is injured. Children think these pranks are funny and smart, not realizing how detrimental they are to the appearance of a home. We, therefore, ask our members to caution the children not to damage the property of others. This is very discouraging to those who try to keep their homes in good condition. A little influence exerted on the children, will help a lot.

From time to time our Association receives inquiries about vacant homes and apartments. If you know of any vacancies, tell us, so that we may be of help in making idle space profitable and useful. The dues of this Association are \$1.00 per year. The payment of your dues assists us in carrying on our work.

FORTY-THIRD ANNUAL REPORT of the

GESU CHURCH DEBT ASSOCIATION

This Association was organized in February, 1900, by the Rev. William F. Clark, S.J. It has for its object the payment of the annual interest on our heavy Church Debt, and the gradual reduction of the principal itself. The good results looked forward to are being gradually accomplished year after year.

During the year March 1, 1942 to February 28, 1943, as appears from our report, the very generous amount of \$2,756.55 was contributed which is an evidence of the devotion and generosity of our people, for which we are sincerely grateful.

Our heartfelt thanks are especially due to the Solicitors, who, week after week, cheerfully go their rounds, undaunted either by the inclemency of the weather or the many other inconveniences of their self imposed work of zeal.

We ask for our Solicitors a continuance of good will and generosity on the part of our contributors. We ask also that as many parishioners as possible belong to this Association. The work is the work of God, and God, Who loves the cheerful giver, will not fail to bless and sanctify every home in which they are cordially and cheerfully received.

SACRED HEART

"Come to me all you who labor and are heavily burdened and I will refresh you." Such is the invitation and the promise of the Sacred Heart of Jesus. During the month of June, the month devoted to the Sacred Heart, clients of the Sacred Heart try to renew their love of Him Who has loved them so much. The Novena in honor of the Sacred Heart begins on

THE MISSION

If we judge the success of the Mission by the number that made it, we think our Mission during May was a grand success. We want to thank our management of their secondarian But the real success of a Mission dependparishioners for their cooperation. But the real success of a Mission, depending on more than numbers, can be determined by God alone. We hope His

ASCENSION

Ascension Thursday, June 3rd, is a holyday of obligation. Catholics are obliged (under pain of mortal sin) to hear Mass on this day when we

SCHOOL OF CHRISTIAN DOCTRINE

During the summer the school of Christian Doctrine for children not During the summer the school of Christian Doctrine for children not attending the Parochial School and for children attending Public High School will be discontinued. We were disappointed by the lack of cooperation on the part of parents.

We hope these parents will realize their serious obligation and see that their children attend the Vacation School.

SUMMER EMBER DAYS

Wednesday, Friday and Saturday, June 16th, 18th and 19th, are Ember Days—therefore days of fast and abstinence. Workingmen and their families are allowed meat once a day on Wednesday and Saturday.

VOCATIONS

During this time many young men and women face the question of a religious vocation. It is a difficult period for them and they need God's grace to make the decision. We can help them by our prayers. Perhaps some of the young people of our parish need our help to heed the invitation of Christ, "Come, follow me."

Any boy or girl who thinks that he or she would like to serve Our Lord as a priest or nun should pray to the Sacred Heart of Jesus and the Immaculate Heart of Mary for guidance. They should also mention it to a priest in confession that he may advise and direct them in their efforts to find out what Our Lord wants them to do.

TRINITY SUNDAY

Trinity Sunday marks the close of the Paschal time. We hardly think it necessary to remind our people that this is the last day for making their Easter Duty. However, for the few who may have been neglectful of this obligation we give this reminder and urge them to attend to this important obligation as soon as possible.

TEKAKWITHA CLUB

As the Calendar goes to press we are busy with the Minstrel Show. If it is before May 31st when you read this, be sure to go to the High School Auditorium, Monday evening at 8.00 o'clock. If it is after May 31st we can only say we hope you didn't miss it.

PAROCHIAL SCHOOL NEWS

It was a beautiful sight to see ninety-four of our little ones receive Our Lord for the first time. Despite the uncertain weather these little hearts were happy. May every succeeding Communion renew the joy of this First Communion Day. We thank the parents of these little ones for their interest which made such a sight possible.

Our Scrap Drive was very successful as anyone may judge from the pile in the schoolyard. Among the boys the third grade came out on top in our contest while the fifth grade was winner among the girls.

The returns on the mite boxes from the children were very good. At the end of Lent the boys had saved \$67.20 and the girls \$106.35.

And now to Graduation which this year will be held in the church at 3.00 o'clock, Sunday, June 13th. These exercises will be for the Parish Graduates from the High and Grade Schools.

RELIGIOUS VACATION SCHOOL

By order of His Eminence, the Cardinal Archbishop, a Summer School of Religion is to be held in every parish of the diocese for public elementary school children, beginning on Tuesday, July 6th, and ending on Friday, July 30th. The sessions will be conducted every day except Saturdays and

In accord with this order of the Cardinal our Religious Vacation School will open on Tuesday, July 6th. Children who have attended public elementary school during the year are to attend this Summer School. With parents rests the obligation to see that their children attend. Last year our Summer School was very successful and we hope for even greater success

ST. IGNATIUS LOYOLA

St. Ignatius Loyola, the founder of the Society of Jesus, is the special patron of every Jesuit Church. Moreover we of the Gesu Parish have chosen St. Ignatius as the special heavenly guardian of our young men in the Armed Forces. Last year at our Military Mass we solemnly dedicated our young men to his tender care and solicitude.

Twofold therefore is the reason why every member of our parish should make the Triduum in honor of St. Ignatius. During the years we have enjoyed the ministrations of the Sons of St. Ignatius. Let us show our gratitude this great foundar who has given by the sons of St. Ignatius. to this great founder who has given us so many workers in our vineyard. What member of the parish is without fear or worry for some dear one in the Service? Your worry, your fear will not help your dear one—your nearest your petitions to St. Tondtier will not help your dear one—your him. prayers, your petitions to St. Ignatius during the Triduum will help him.

The Triduum begins on Thursday, July 29th at 8 P. M. Services will last one-half hour.

VACATION TIME

The good old summer time is here again. With it come vacations, at st for some, picnics, outdoor sparts again. With it come vacations, at These least for some, picnics, outdoor sports and a general good time. These are good and should be enjoyed but me and a general good time. are good and should be enjoyed but we must remember there is no vacation from religious duties. BEHOLD! THE HEART

That has loved man so much. On Friday, July 2nd, we celebrate the great feast of the Sacred Heart of Jesus. We hope you have taken advantage of the opportunity of making the Novena in honor of the Sacred Heart. If you have not, make sure that on this feast you give expression of your love by receiving Holy Communion and by attending the special service in the evening.

CHILDREN AND SUNDAY MASS

During the summer children should attend the 8.30 Mass on Sunday. We ask parents to co-operate with us and see that the children come to this Mass. We understand that at times there will be reasonable excuses, e. g., when Mary is away on a vacation or when the family is leaving early for a day in the country. But on the other Sundays when there is no reasonable excuse we ask mother and father to make sure that Mary is present for the 8.30 Mass.

TEKAKWITHA CLUB

So you enjoyed the Minstrel Show! It was very good, wasn't it? And we are grateful for your encouragement. Our party for the graduates was a big success—now we want you (the graduates) to join us. Any other young people of the parish are again invited to come along. We promise a very pleasant summer program. Come and see.

FOR EVERY SINNER

THE PARISH MONTHLY CALENDAR

Is it possible to waken, in the hearts of those who are at present indifferent about all the finer, most personal things concerning the practice of their religion, can they who seldom receive Holy Communion, who never attend religious service except Mass and that only (and not always) when they are commanded, be questions came to one who sees how weak is the grip and the influence of faith on the practical lives of many men and women.

The answer is that it is possible, but only by one means, and that is by convincing such persons that they are sinners and that they need escape from, atonement for, and protection against their sins. History reveals that men have been converted not only from sinfulness but from rank paganism to the most zealous and devout practice of the Catholic faith by the conviction of their sins. Gilbert Chesterton, asked directly why he became a Catholic, answered curtly: "To get rid of my sins." Hundreds of others, less famous than he, have been driven into the arms of the love of the Sacred Heart by the pursuing thought of the terror of their sins.

Moreover, among the millions of persons who this month of June, dedicated to the Sacred Heart, will be doing "extra things" for the love of the Heart of Jesus, there will be a high majority who once upon a time were indifferent, cold, indevout and callous to the meaning of sin. Their growth in devotion to the Sacred Heart has kept pace with their realization of what sin has done to them and to God.

It all stands to reason. One momentary glimpse of one's soul when it is defiled by sin (and whose soul has never been defiled?) makes one look for relief and cleansing and protection. All that one seeks is found in the Sacred Heart, the Heart of Him who came to save sinners, Who rejected not one who turned to Him, Who died on a cross to wipe out sin and provide the graces necessary to avoid it.

If you can't quite see why you should join the ranks of those millions who will be receiving Holy Communion often during June, we suggest that you retire to a hidden spot alone some time and keep solitary company with the thought of your own secret and open sins. If that does not teach you what you owe to the Sacred Heart of Jesus, and what you can win from that Heart, then you are callous and hard, and, in one sense, irredeemable indeed.

"LIGUORIAN."

CATHOLIC INFORMATION

CATHOLICS AND THE READING OF THE BIBLE!

One of the oldest lies against the Church is that it forbids its members to read the Bible. From the time of the Apostles, the Catholic Church has been the custodian of the Bible. Very carefully she has always insisted that the faithful read only correct and authorized versions of the Sacred Scriptures.

When printing came into vogue and copies of the Bible were multiplied, the Church forbade the reading of those versions which contained false teaching. The so-called reformers—Luther, Calvin and others—changed the wording in many places to make the Bible say what they wanted it to say. They also rejected and threw out complete books of the Bible which weren't in accord with their heretical tooks.

heretical teaching.

Very properly at that time the Church forbade its members to read these copies of the Bible that contained error. With equal insistence, she urged the faithful to read the authorized Catholic versions of the Bible.

Today 'Contained and Catholic versions of the Bible.

Today, the law of the Church forbids Catholics to read non-Catholic editions of the Sacred Scriptures. At the same time, to encourage the reading of authorized versions of the Bible, the Church grants an indulgence of 300 days to those who read the Bible 15 minutes a day, and a plenary indulgence to those who read it every day for a month, with the usual conditions of confession, Communion and a prayer for the Holy Father's intention.

WHEN WILL THE SERVICE MEN IN THIS PARISH **COME HOME?**

To a large extent, YOU can answer this question by asking yourself another one—"What Have I Done To Hasten Peace?"

The purchase of just one more WAR BOND by every member in this Parish will do much to bring about a quicker and safe return of the Service Boys you have seen published in our Honor Roll.

MANY CATHOLICS THROUGHOUT THE DIOCESE ARE MAKING OUT AT LEAST ONE WAR BOND IN THE NAME OF THEIR CHURCH—IN REMEM-BRANCE OF SOME RELATIVE OR FRIEND IN THE SERVICE.

But whether you take out another WAR BOND in your own name (as an investment) or wish to present your Church with one-in either case, BUY ONE MORE, so that your Government can give the boys what they need to finish the job and bring them back home-triumphant.

We wish these Fathers success in their new appoint-

Father Paul Hugendobler has been assigned Minister and Prefect of the Church. For the coming year the Fathers of the Parish are Father Maguire, Father Perrot, Father O'Hare, Father Hynes and Father Harrison.

Coming to the High School are Father Thomas Donoghue, Father Aloysius Travers, Father William Nuttall, Father Paul Reed and Father Aloysius Thoman.

VACATION SCHOOL

The Religious Instruction Vacation School for the children of the parish attending Public Grade Schools during the year has topped last year's enrollment. Six pupils attended the first classes. These boys and girls and a few ladies of the parish have managed to raise our number to 30 in a little over a week. We are happy that so many are benefitting from the generous work of the Sisters. Their own parents cannot help but share the enthusiasm of their children in the work they are doing every morning from 9 to 12 o'clock.

We are hoping earnestly that the mothers and fathers, seeing the benefit their sons and daughters derive from their short contact with the atmosphere of the Catholic relationship their short contact with the atmosphere of the Catholic relationship. phere of the Catholic school and the Sisters, will be influenced to decide on a Catholic education for the a Catholic education for them beginning next September. This is a serious obligation which more them beginning next September. obligation which many parents seem to realize but dimly. We want all Catholic children of the parish in their own Catholic school.

MARY'S ASSUMPTION

The Feast of the Assumption of Our Blessed Mother, August 15, occurs Sunday this year. There is no Our Blessed Mother, August 15, occurs to hear on Sunday this year. There is no point in urging you to be sure to hear Mass. The day before is the Vicional in urging you to be sure of fast and Mass. The day before is the Vigil of the feast and is a day of fast and abstinence which means no ment abstinence which means, no meat and only one full meal.

There is every reason for us to rejoice with her as another anniversary the heavenly entrance comes as a specific with her as another that we too of her heavenly entrance comes again. For she is a sign, to us that we too shall rise glorious and immortal from shall rise glorious and immortal from our grave when God's good time comes. Mary, Queen of Angels comes. Mary, Queen of Angels, pray for us.

VOCATIONS

During this time we hope some of our young people are seriously offer themselves to Christ, to give up the vanities of the world and you in settling the question. Prayer is the first and of prime importance, to discuss the subject and will be able to offer yoursels suggestions. to discuss the subject and will be able to offer valuable suggestions.

Movies are a harmless pastime. How often do we hear this statement? Let us not debate the question but surely there is no one who would approve of frequent movies for children? Any mother who allows her child or sends her child to the movies more frequently than once a week by her kindness is injuring her own child.

CONVERTS

It seems that the present war is causing people to think of God. Many are entering the Church. There are many more who would join the true fold of Christ if they knew how to go about it.

Although our class of instruction for converts is discontinued during the summer, private instructions are given at our Rectory throughout the year. If you know a person who wants to become a Catholic or who would like to learn more about our religion, bring him or her to the Rectory. Any of the Parish Fathers will be delighted to give the instructions.

The first picnic to Riverview Beach was good. We could see the hair of Father O'Hara and Father Hynes grey a little more as we waited for the delayed boat.

Our regular meetings have been well attended. The new members are catching the spirit. We are thinking of making Wednesday a regular meeting night with the added attraction of open-house discussion. We ask our parents to be on hand for Parents' Night—date to be announced later.

CORRECTION

Miss Catherine Clark (Thompson Street) \$1.25

THIS SHALL BE A SIGN

A devout merchant who gave generous alms to St. Teresa asked her for her prayers that his salvation might be assured.

"I have prayed earnestly for you," wrote the Saint to him, "and it has been revealed to me that your name is written in the book of life. And as a sign of the truth of what I say, you shall never again prosper in your worldly affairs."

And so it turned out. The merchant's ships were sunk; he lost his money and would have been sent to jail for his debts but for the kindness of his creditors.

But he died full of consolation, recognizing in these temporal losses the sign of his salvation.

HIS MOTHER

O Mother, I heard His Voice today, Awhispering love-words to me-And oh, how rapturous His message sweet. It's a priest I'm going to be! I know you are glad, dear mother. That mine is the "better part", And though I must leave you, mother. I know He will comfort your heart.

He has prepared a feast for me. mother. A love-feast celestial and rare-And the food is His Sacred Body Enthroned on each altar fair: His own Heart is my living chalice, His Blood is the banquet wine-He has promised His Soul and His Body, For this body and soul of mine.

God gave a sweet babe to your bosom. That your mother-joy be increased: And tenderly you loved what He gave you, And you're giving Him back as a priest. O mother. I'm sure we'll be happy-May His thrice Holy Will be done, For Mary will now be my Mother, And the Christ be your loving Son.

I know you'll rejoice, dear mother, The Master has told me so-For your joys far surpass those of angels, Joys only priests' mothers may know. Ah, He gave you to be my mother, Now you give to His Mother, your son And sweetly the Mother of Jesus, Instead, gives her Holy One.

And other secrets He whispered, For no other hearts but for mine— And, mother, whate'er be my glory, I'll not claim it, for it is all thine. For He told me, that in the beginning Twas appointed that an anointed one Should have you for his own dear mother, That you'd have a priest for a son.

In the Realm of the "Many Mansions," He has promised a jewelled throne, As a reward to priests' saintly mothers, Whom He loves as He loved His own. And some day, my dearest mother, When the toils of Life's day are done, Christ will meet us both at the Portals— A mother and her priestly son!

CATHOLIC SCHOOL

September means school days—for the children of the Gesu it means Catholic School. We are blessed in this parish with excellent Catholic school facilities. There is our parochial school, large enough to take care of all our grade school children. Up to the present we have also been able to bear the financial burden of sending our High School students to a Catholic High School.

Parents are reminded of their obligation to see to it that their children take advantage of this golden opportunity. No child of the Gesu Parish should attend a non-Catholic school.

The Parochial Schools of the Archdiocese of Philadelphia will reopen on

Wednesday, September 1st.

Registration of new pupils for the Gesu Parochial Schools will take place on Tuesday, August 31st between 9.00 A. M. and 3.00 P. M. For the boys this registration will be held in the Convent school; for the girls in the new Girls' school. These children must bring their baptismal certificate, their vaccination certificate and, if they attended another school, a transfer slip.

First-year students of the diocesan high schools will register on Wednesday, September 1st. Second, third and fourth-year students are expected

to report on Thursday, September 2nd.

GOLDEN JUBILARIAN

Rev. Robert J. Tracy, S.J., will celebrate his Golden Jubilee as a Jesuit on September 17th. Father Tracy, who is at present stationed at Wernersville, spent twenty-five years at the Gesu and is well known to most of our parishioners. Sincere congratulations, Father, with our earnest prayers

MIRACULOUS MEDAL NOVENA

On Sunday evening, September 12th, Father Paul Hugendobler will begin a series of Novena talks on the Blessed Mother and her place in modern life. Holiness, purity of life, perfect love of God we always identify with our Lady Thomas during with our Lady. These virtues are more and more necessary today during this dangerous time of freedom and relaxation of parental watchfulness. Mary is always on guard; she is the ever-watchful Mother, whose love for her children never parents. her children never permits her to relax her devoted care. She sees from heaven our lives and dangers. The relax her devoted care. heaven our lives and dangers; she sees, too, the solutions to our difficulties.
We have only to wake up to this sees, too, the solutions to our difficulties. We have only to wake up to this affection and loving care of our heavenly Mother to feel a new power working in our daily lives.

We hope for a continuance of your attendance and hope that your sence might be the marrish to presence might be the means of bringing more young folk of the parish to the feet of our Blessed Mother of these arrives. the feet of our Blessed Mother, at these Sunday evening Novena services.

INSTRUCTION CLASS

One feature of Communism and Nazism, and such we might well imitate, is namely the intense zeal with which the proponents of these doctrines try in season and out of season to convert everybody else to "the Cause." Our Lord has commanded His priests: "Going therefore teach ye all nations: baptizing them in the name of the Father, and of the Son, and of the Holy Ghost." Now in order to obey this command of our Lord the priests must have the cooperation of the laity, who frequently have ways and means of approach to non-Catholics who would never approach a priest of their own initiative. Surely a prudent but constant watchfulness on the part of Catholic men and women for the signs which would indicate a readiness for instruction on the part of non-Catholics or badly instructed Catholics, is bound to result in bringing many souls into the true fold and in bringing abundant graces to such lay apostles.

We shall have a Class of Instruction each Monday evening in the Rectory. To this class we shall be more than glad to welcome (1) non-Catholics who wish to become Catholics; (2) non-Catholics who are merely seekers after truth but without any immediate intention of becoming Catholics; (3) Catholics who feel the need of a deeper grounding in the truths of their own faith. Catholics accompanying non-Catholic friends will be very wel-

The class will be held at 7.30, thus leaving a good part of the evening free for other interests. It will not last more than one hour. Coming to the class does not imply that one is committed to becoming a Catholic. The Father will be delighted to arrange for private instructions for those who cannot attend the class.

GOD'S POOR

Charity to God's poor is a sign of a true Catholic spirit. The response of our parishioners to the appeal for the Little Sisters of the Poor was most

gratifying. The collection this year was the largest in a good number of years. God cannot but bless this generous spirit. The prayers of the Little Sisters and those of the aged poor will accompany you throughout the coming year.

UNITED SODALITY NEWS

Our Rummage Sale was a grand success. One Hundred and Fifty Dollars were given to the Church. We wish to thank all for their cooperation, especially the women who were in charge and waited on the counters and also Mrs. Weber who so kindly and willingly donated the use of her store for this sale. This money will be used for Church expenses.

CLOISTER NEWS

Sister Peter Claver, I.H.M., formerly Anna O'Donnell, 1716 Stiles Street, pronounced her first vows and received her ring and black veil on Sunday, August 15th. The ceremony took place at Villa Maria Novitiate in West Chester. Before entering the Immaculate Heart of Mary Order, Anna was active in parish affairs, being president of the Gesu Notre Dame Alumnae and a member of the Gesus Dramatic Club.

THE RELIGIOUS VACATION SCHOOL

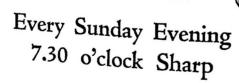

On Friday, July 30th, the Religious Vacation School came to a solemn closing. At Mass in the High School chapel all the children received Holy Communion. For four of the little ones it was their First Holy Communion. The mother of two of the children was received into the Church the day before and made her First Communion with her son and daughter. This scene was the crown of the month's work.

After Mass breakfast was served to the children and their mothers.

NOVENA

IN HONOR OF

OUR LADY OF THE MIRACULOUS MEDAL

CHURCH OF THE GESU

ALL MEMBERS OF THE PARISH ARE INVITED

Special thanks are due to Miss Bessie Brenner and Miss Sarah Naylon not only for their work in preparing the breakfast but also for their zeal in gathering the children for the school. Miss Howard also helped in this work. The breakfast was followed by a short entertainment and the awarding of special prizes.

The Vacation School was successful and will bring down many blessings on our parish. May God bless Sister Antonius and Sister Marie Gabriel for their great work.

THE STREETS AT NIGHT

With the opening of school and the cool weather we hope parents will see that their children are at home in the evening. Roaming the streets at night is not a fit environment for any child. For the good health and the intellectual and spiritual well-being of a child there is no better prescription than the old fashioned order of play after school, supper, lessons and then bed. How many difficulties would be avoided by the family gathering in the living room—father reading the paper, mother sewing or mending, the children around the table studying their lessons.

TEKAKWITHA CLUB

A thing of beauty—that's the newly-painted club room. We feel proud of it and prouder still of the members who did the job: Vinc Karkowski, Joe Connolly, James Daly and John Boyle. The girls also did their bit with the old scrubbing brush and dust cloth: Frances Ivers, Ann Duffy, Clare Mc-bride, Anna Hughes and Patricia Quinn. We were delighted to have our parents and friends with us on the opening night and we hope they feel welcome to drop in any time to join the fun. The Discussion Council on Wednesday evenings is popular.

These men of the Nation's Armed Forces are under the protection of the soldiersaint, Ignatius of Loyola. We urge you to attend this Mass as often as you can for the members of your own family and others of the Parish who are hourly in need of your prayers and spiritual assistance.

This list below of Service Men from the Parish contains the names thus far received. We know it is incomplete. Will you scan the columns carefully and drop at the Rectory any names of your parishioners serving Uncle Sam whom you find missing from the record. Add the home address for better identification. A LETTER FROM YOUR PASTOR

My dear Parishioner:

Our Parish Visitation and Block Collection will begin Monday, October 4th.

Each year by command of his ecclesiastical superior, every pastor is obliged to make an accurate census of his parish. You can readily understand why this census should be made.

As the pastor is responsible for the spiritual care of his parish, it is necessary that he know the spiritual condition of his parishioners: to know the number of souls and the number of families; how many children are attending the public elementary and high schools; how many are not living up to their duties as Catholics.

The visiting fathers come to you as friends. You should feel free to discuss any particular spiritual difficulties of your family or of yourself. Be sure to receive them courteously.

As is customary in this diocese, during the visitation the annual Block Collection is taken up. Be as generous as possible. The financial condition of this parish has been critical for some time. I am sure you understand this from the report to you of our finances made in the beginning of the year. Moreover, there is great need of repairs for all our parish buildings. Do not be stingy with God but remember your obligation of contributing to the support of your Church. Be a generous giver and God will reward you in return. May He bless you abundantly.

Sincerely yours in the Sacred Heart,

JOHN P. SMITH, S.J.

HOLY HOUR

Every Friday evening there will be a Holy Hour beginning at 7.30. This Holy Hour will be conducted by Reverend Father Rector. The usual Novena prayers will be said at 8.00 o'clock. We deem it unnecessary to urge you to spend this hour in prayer in reparation for the offenses offered to the sacred Heart.

THE GESU LITURGICAL CHOIR

Nothing succeeds like success. This year we are anxious to improve the choir work many times over last year's fine showing. The boys have returned almost to a member and are already hard at work on Mondays, Wednesdays and Fridays. They are interested in their "profession" and are anxious to show results to match their hours of practice and study in the music room. You are invited in a special way to give them all the encouragement you can. Urge other boys and young men to get behind this parish endeavor rethe full. There will be no difficulty getting members when the top-flight results are the ordinary thing; now, however, there is need of special cooperation in order that these results might soon be realized. The older singers have one practice period a week, on Thursday evening at 8.15. It is a high type of young man who realizes what is being offered to the parishioners in this free musical training. May we discover much hidden talent, and be the occasion of bringing it to its maturity.

MASS OF THE ANGELS

On Wednesday, the Feast of the Blessed Mother, Christ called one of our little girls to Himself. Pauline Watson, who joined the first grade this year, was killed by an automobile. We sympathize with Mr. and Mrs. Watson and Pauline's sisters in their sorrow.

The Mass of the Angels was offered by Father Thynes on Saturday. The girls and a good number of boys of the parochial school attended the Mass. Six of the older girls were pall-bearers and six of the first grade girls, dressed in white, made up a guard of honor.

PARISH VISITATION

During October the usual Parish Visitation will be made. We ask our parishioners to cooperate by having the census envelope completely filled out.

GESU PARISH HONOR ROLL SUPPLEMENTARY LIST

In this list are all those whose names were sent in to the rectory with the home addresses included. Some names were handed in without these required addresses and consequently are not included in this list. To identify the members of our parish serving in the armed forces we urge that their names be written in full and legibly along with their home addresses.

POOR SOULS

Do not ferget the Triduum in honor of the Poor Souls. It begins the last day of October. Holy Mother the Church, realizing our forgetfulness, recalls to mind our dear departed. Amidst the many cares of our present day life it is so easy to forget those who may need our help. The Poor Souls cannot help themselves but we can help them.

FIRST ANNIVERSARY

On October 16th the Tekakwitha Club is one year old—still young and flourishing. So we won't burden you with the tale of our achievements—the present and the future are more engaging. Thursday evenings roller skating is in vogue. A Choral Council is in the making, through the generous offering of Mr. Paul Goelzer—a pleasant way of laying the foundation for our plays. We hope to give two shows this year. A Boxing Council for the boys is under consideration.

Time necessarily brings changes and to the club it brings a change of officers. We congratulate our former officers and are proud to introduce the new:

A FAMILY HISTORY

There were five of them first and they filled the whole new Father and mother, John, Dan and Lou: It was stirring to see them each Sunday, together At eight o'clock Mass no matter the weather. But John gave up home for the Missions, a priest: One seat was empty—but Love's Bond increased: Dan followed soon after, a gay handsome lad Gladder for blessings from mother and Dad. Last summer the youngest, tall Lou, heard the Call And being the "baby" was missed most of all: But fighting back loneliness these holy two Found peace in their Beads, as all five used to do. Though weekly the old folks grow thinner and older. Bearing a bit of the Cross on their shoulder. The near-empty pew is surpassingly fair-For angels surround it and God lingers there.

(Duff).

RECIPROCITY

"And must I keep giving Again and again?" "O, No," said the Angel; His glance pierced me through; "Just give till the Master Stops giving to you!"

-Margaret Warburton

CHARITY

Do something to-day to bring gladness To someone whose pleasures are few, Do something to drive off sadness-Or cause someone's dream to come true.

Find time for a neighborly greeting And time to delight an old friend; Remember,—the years are fleeting And life's latest day will soon end!

Do something to-day that to-morrow Will prove to be really worth while; Help someone to conquer sorrow And greet the new dawn with a smile-

For only through kindness and giving Of service and friendship and cheer, We learn the pure joy of living And find heaven's happiness here.

POOR SOULS

Once again the Feast of ALL SOULS reminds us of Christ's friends and ours who have been called home but must remain in the cleansing fires of Purgatory for a short time before their everlasting entry into the courts of Heaven and the presence of God.

Our immediate family and friends have first claim on our prayers, Masses and sacrifices. Others, brothers and sisters in Christ's Mystical Body, have a legitimate claim on our remembrance, through their relation to us through His Sacred Blood.

Every Priest will say three Masses on this day for the Poor Souls. You can at least attend one of them and join with him in the following prayer: "Absolve, Lord, the souls of all the faithful departed from every bond of sin. May they enjoy the happiness of everlasting light."

FEAST OF ALL SAINTS

"Let us all rejoice in the Lord, celebrating a festival-day in honor of all the Saints." This feast of All Saints has been in the Church since the very beginning. As far back as 610 A.D. we learn that a pagan temple once dedicated to all the pagan gods was consecrated to St. Mary and all the Saints. The spirit of this great feast is one of great rejoicing and recalls the triumph of Christ over the false gods of this and past generations. We honor the memory of all the just who are now and forever God's own—His Saints. We know that they can assist us in our own needs by their own unceasing prayers, which are very powerful at the throne of God. We must be alive to the reality of this great concourse of heaven, part of that greater multitude embraced in the Communion of Saints, of which we are a part.

THE PARISH VISITATION

Thus far the reception accorded the Fathers on the Visitation has been noteworthy for its cordiality and cooperation. Much good in a spiritual and temporal way has already been accomplished by these short interviews and much more will follow. God in His eternal goodness works wonders through others to bring help and peace to the souls of those who are trying to please Him. The Priest is His own representative. The great good coming from his visit is not something unforeseen... but the ordinary result of the parish visit is not something unforeseen... But the ordinary result of the parish visit is not something. The Gordinal of Philadelphia is wise in making such a yearly Visitation. The Cardinal of Philadelphia is wise in making such a canvass of parishioners of obligation on every Pastor. Be sure to take full advantage of the priest's presence and do not let him leave without asking for his blessing.

CONVERT CLASS

Mr. John Moody, the well-known convert of Wall Street, says that most of the converts he has been instrumental in bringing into the Church have not been from the circle of his intimate friends. He had thought that these were all sitting on the steps of the Holy of Holies, waiting only for his invitation. To his own surprise the great sharers of his good fortune (and they are now many today) came from various other sources. Those who read his books, those who listened to his casual conversations, his explanations and his lectures when occasions arose for them.

So for you who are interested in helping in the Convert Work at Gesu. don't be discouraged if your own narrow circle of friends and non-Catholic acquaintances do not respond to your own enthusiasm for their salvation. Keep looking out and ahead, keep talking of the work of the class held every Monday evening at 7.30 at the Gesu Rectory by Father Harrison. Have your bag of good seed open for every opportunity—a kind word, a helpful explanation, an instructive talk to a few people once in a while. Watch the effect of your prayers and your zeal.

THANKSGIVING DAY

Just as a great celebration would not seem complete without a heaping table of tasty food (and Thanksgiving Day is the day of days), so too, no feast day or holiday is complete without the one thing necessary—a prayer of thanksgiving to the good Lord Who provides us with all good things. He does this to satisfy us only for the moment—so that we might feel the eternal hunger of our heart for the everlasting banquets of His own tables in the brilliant dining halls of heaven. God is no deceiver; nor does He promise rashly—for in Him are all good things.

ADVENT SEASON

The whole spirit of our season of Advent can be summed up in the attitude of love, faith and hope which we sinners have toward God. Love should make us yearn for the object of our affections; faith should increase our trust in the presence of His love for us; hope makes us yearn and trust our trust in the utmost confidence that all we long for, all He has promised to men of good will, will come to pass.

As Christians we ought to be alive to the advance of Advent as the days of November go by. It should play a conscious part in the preparation of our soul for the coming of the Christ Child. Let us yearn sincerely, lovingly, even impatiently, for the twofold coming of Christ—as tiny Babe and as powerful Judge of the world—and from afar, we can adore Him with the church as our King: "Come, let us adore the King, Who is about to come."

PAROCHIAL SCHOOL NEWS

AUTUMN

Once again the golden leaves fluttering from the trees betray the arrival of Autumn. Autumn is, by far, the most beautiful season of the year. In these war days, so many people don't recognize the majestic downward flight of the amber leaves. The Lord made trees to be beautiful and to be looked upon with admiration by all peoples. During this gruesome war which is raging all over Europe, these beautiful trees have no onlookers to watch the gypsy-clad leaves. No longer can anyone see a clear blue sky over the raging torrent of destruction which human beings call "Europe." There, there is no beautiful green ground, ground which was once covered by a stunning coat of grass. Now the ground is covered by another color, red, yes blood—blood which blood which was shed by men who cherished the beauty of God's creations. so, until humanity can be restored to our earth, let us all thank God that we can still admire the Creator's many masterpieces, here in these United States of American States of America.

RICHARD CONVILLE, Eighth Grade.

A PERFECT DAY

"Ring aling—aling—aling!" I reach out my hand to stop that cheerful sound. The black hands of the clock are pointing to seven o'clock, giving me plenty of time to make the eight o'clock Mass. "Ho-hum! Another day below" I say to myself as I roll out of bed and in just one half hour I kneel at God's Altar to offer Him another day. Then I'm off to school. Up to this point my day has been rather well filled, but this is only the beginning for the hours I spend at the Gesu School are really busy. Here I meet my friends. the hours I spend at the Gesu School are really busy. Here I meet my friends and Sisters and work at the studies that will help me in my future life.

PREPARATION FOR DEATH

We must attend to this personally; no one elso can make sure for us. A fireman is ready for a fire, otherwise he is discharged. A business man is A fireman is ready for a fire, otherwise he is discharged. A business man is ready for his customer, otherwise he loses him. A professional man is ready for his client, otherwise his client goes elsewhere. But if the fireman is discharged he can get another position. The business and professional men can be sure to be ready next time, but if you and I are not ready for death, we have no second opportunity to repair our mistake." -Father Paul Coniff, S.J.

LINKS WITH HEAVEN

Ah, Saints in Heaven may pray with earnest will And pity for their weak and erring brothers: Yet there is prayer in Heaven more tender still.— The little children pleading for their Mothers. -Adelaide Proctor.

DEATH, THE TEACHER

Foolish men shun the thought of death; they think to escape it by ignoring it, but the wise in our own day and in bygone times have ever looked on death as a great teacher.

Death is natural to man, but the severance of soul and body is none the less a sharp and bitter thing. God destined man to partake of immortality, even as regards the body, but the gift was forfeited through sin, and nature reasserted her dread rights. "God created man incorruptible, and to the image of His Own likeness He made him. But by the envy of the devil, death came into the world." (Wisdom II:23).

With death the life of sense finds its term. All is over. This phenomenal world, with all its beauties and amenities, its woes and pains, its pursuits and pleasures, is a thing of the past for him whom death summons. He vanishes from the earth, others take his place, and in a little while he is forgotten. If men still praise or blame him, what does it profit him? Where in does it harm him? He has gone hence.

Death puts an end to all illusions. So long as this small planet is our home, its mountains and seas appear great to us, while the fixed stars of heaven are but diminutive points of light. It is a perilous delusion, this, which makes the things of earth so weighty in the eyes of men and the things of heaven so small. Dooth course to the light of the eyes of men and the things of heaven so small. Death comes to dispel it.

Death is the entering upon that eternal, unchanging lot which man has brought out for himself here below. If the mark has been missed, it has been missed former death of the mark has been missed former death. has been missed forever; death gives no second chance. Earth is the waiting room where thou preparest for the journey to a distant country. Beware of making a mistake as to thy train.

In what way does the thought of death profit us? It secures us against most dangerous of all amount of though the most dangerous of all errors. We drift so easily into acting as though this present life and its interest. We drift so easily into acting as maincipal this present life and its interests were our sole, or, at least, our principal concern. It is death that says to thee: Thou hast no weightier concern than to die well. He who would live feel thou hast no weightier concern to die.

to die well. He who would live forever must learn betimes how to die. The thought of death to live forever must learn betimes how oright. The thought of death teaches us how to let our life's course aright. What can it profit us to travel by any road save that which leads to the right gate. Live always as and to right gate. Live always as one to whom death must certainly come, and to whom it may come soon; thus shalt they live aright.

Christian Philosophy of Life.

OUR CHRISTMAS GREETING

To all our parishioners we wish a Happy and Holy Christmas.

May the loving Heart of Our Infant Saviour fill every soul with His

peace and His joy.

THE FATHERS OF THE GESU.

THE FATHERS OF THE OD-

SODALITY CARD PARTY

It was a pleasure to see our parishioners gather together for a social evening under the auspices of the Sodality. Such a social gathering is an Important asset to the parish over and above the financial help it gives. We have heard so often that man is a social being—he yearns for and needs the company of others and what environment could be better than that of the Church. We are grateful to those who made this gathering possible and we hope that the generosity of these and other workers will make such events a regular occurrence in our parish,

CHRISTMAS HAPPINESS

This Season of the year is one of happiness. All of us want to be happy but at times we may forget the source of happiness. We get happiness by giving it. This principle has been established by God Himself and who would want it otherwise. Our heart has been likened to a great green tree, and when we hang there gifts for others, we hang up also gifts of happiness

If you desire to share the happiness of the Christ Child during this season, His generosity also you must imitate. It is true that money is plentiful due to conditions and the poor and needy are few but we can always

PARISH VISITATION

Reverend Father Rector and the Parish Fathers wish to thank all for their kindness and cooperation during the Annual Visitation of the Parish. The gracious reception of the priests by all made the Visitation a pleasant task for the priests. We feel sure that much good has been derived from the Visitation especially a closer union between priests and parishioners. We also wish to thank all for their generous contributions.

CHRISTMAS NIGHT AND STARS

Perhaps you have not noticed the change on our Service Flag. We now have about 350 young men of the parish in the Service. Each star on that flag represents an act of sacrifice—a sacrifice that only God can evaluate. Each star on that flag represents one of our young men who needs your prayers. Especially at this time will their thoughts turn to home and their dear ones; especially on Christmas, will they need your support. Besides the gifts and the presents you may send, be sure to send them courage through your prayers and Holy Communions. =Famous Since 1899=

THE CHRIST CHILD AND THE STAGE

All our parismoners are cordially invited to attend the Annual Christmas All our parties past month our little ones have been practicing diligently play. During the a show of two hours of joy and simple pleasure. Come and they promise a show of two hours of joy and simple pleasure. Come and and they promise a show of two nours of joy and simple pleasure. Come and encourage the little ones. Come also for your own good. Let our little ones take you back to your own childhood days and enkindle in your heart the true Christmas joy. The play will be given on Sunday afternoon at 2.00 clock, December 19th, in the High School Auditorium.

TEKAKWITHA CLUB

You have to be alert when the whistle blows down at the Tekakwitha Club these nights or you'll find yourself dancing with a broom. Things were getting a little dead so we decided to wake them up. Broom dances, split dances, congas, quadrilles, cut-ins, all have us meeting such nice new people and whirling so rapidly that we have to beg the Master of Ceremonies for time to breathe. It's terrific.

Edna McCabe, who was in our one-act play last year, has the leading part in the Hallahan production this year and received a splendid compliment from their dramatics teacher, Miss Kearney. Edward Carrier, who also took part in our performance last season, is among the boys from Catholic High picked for a male part in the same play. So much for Tekakwithians' dramatic education.

We forgot to inform you last month that three of our members, Mary Campbell, Patricia Quinn, Adele Meiser, were chosen as chairmen of athletic activities in their respective classes at Hallahan High.

Proud of your youngsters?

What great reverence, love and respect we Catholics should pay to her, if a non-Catholic Poet can give her the beautiful title of "Our Tainted Nature's Solitary Boast." CATHOLIC MAGAZINES

One of the many ways by which Christianity is spread is through Catholic books and magazines. Many converts have been made and vocations determined merely by good reading. This does not mean, however, sitting for hours at a time reading book-length novels. On the contrary, just as much value can be obtained from short pamphlets such as those written by Father Lord; or, from short stories found in magazines such as "Catholic Missions," "Queen's Work" and many others. We shoul attempt to induce our families and our friends to donate more time to good Catholic books.

THE REAL SPIRIT OF CHRISTMAS

During December all selfish people are looking for presents but they never think of returning gifts. A present is not always something that costs a great deal of money but it is the love that makes it valuable to us.

Our first Gift was sent to us by God the Father. On December twentyfifth, over nineteen hundred years ago, God sent a wonderful Child down to earth. This Baby wasn't an ordinary child. He was a king. This King didn't have a palace or guards protecting Him. He only had the love of His mother, Mary, and His foster-father, Joseph, and two animals guarding Him. Although He was only a Baby He filled with joy the hearts of everyone who received Him. This Child is our Divine Lord.

Our Lord showed us the right spirit of Christmas and we should keep it that way by receiving Him as our first Christmas Gift. Then we can try to bring others closer to Him. ROSE MARIE REILLY.
